

## Sub-Contracting Engineer Vacancies

Premier Gas UK are currently expanding their Sub-Contracting Division and are looking for experienced, high quality gas and heating engineers.

Our office base is Central London, where we offer '24/7' Emergency Service to any type of Gas or Plumbing emergency.

Premier Gas UK aims to be the PREMIER choice in Gas Central Heating and Plumbing service solutions to Domestic and Commercial users.

We respond to our customers needs with speed and agility, and a "can-do" attitude - always delivering on our commitments.

If you are interested in sub-contracting for Premier Gas UK, please call us now on 0800 731 0321 or email your CV to [customer-services@premiergasuk.com](mailto:customer-services@premiergasuk.com)
